### Story Telling

Once upon a time, storytelling was a way to pass the time. Now, it's an excellent way to entertain and teach children new ideas. The children celebrated National Storytelling week by choosing their own books and helping their teachers bring the books to life. They had endless enjoyment and it was lovely hearing the babies telling us what was going to happen next.

## Children's Mental Health Week

During February, we focused on Children's Mental Health Week as well as our own. We made time to slow down a little, reflect, stretch & breathe. The children enjoyed yoga, the homemade gym, the spa and mindfulness.

## Happy Valentines Day!

Happy Valentine's Day. We have been talking about what we love, who we love and how we all belong   
The children came in the following day to tell us how they celebrated this special day with their families.

## Pancake Day!

There was lots of talk around the nursery about pancake toppings. Pancake Day, or Shrove Tuesday, is a day of feasting before the start of Lent on Ash Wednesday. Lent, which is 40 days leading up to Easter, was traditionally a time of fasting. Shrove Tuesday was also the last opportunity to use up eggs and fats before embarking on the Lenten fast and pancakes were, and still are the perfect way to use up those ingredients.
